Your new system estimate

Prepared for Dana R. · October 29, 2026 · Estimate EST-1042

YOUR ESTIMATE · BETTER OPTION

$9,150 – $10,000

Installed, with your existing ductwork, before any rebates.

3-ton AC + air handler

YOUR HOME

Name	Dana R.
Address	412 Bayshore Dr, Tampa, FL 33606
Phone	(813) 555-0142
Email	dana@example.com

YOUR SYSTEM

Current unit	GSX160361
System	AC with an air handler
Size	3 ton
Replacing	Whole system
Indoor unit	Closet, garage or basement
Add-ons	None

WHAT'S INCLUDED

- New 3-ton AC and matched air handler
- Two-stage, about 16–17 SEER2
- Installation with your existing ductwork
- Permit and old unit removal

GOOD TO KNOW

- May qualify for a local utility rebate (15.2+ SEER2)
- Nothing flagged as "may be needed" from your answers

→ **What happens next**

Ballpark Leads will call you at (813) 555-0142 to set up an in-home visit and confirm your price in writing. Want to talk sooner? Call (813) 555-0100.

ESTIMATE ONLY · NOT A QUOTE

This is a ballpark based on your answers and typical jobs, not a bid, quote or contract. Your final price is set in writing after an in-home visit and can change with what the technician finds, such as ductwork, electrical, access or permit needs. Rebates are not guaranteed.

Compare your options

Same home, same answers. Each range is installed, with your existing ductwork, before any rebates.

OPTION	WHAT YOU GET	ESTIMATE
Good	Single-stage	$8,100 – $8,900
Better YOUR PICK	**Two-stage, about 16–17 SEER2. Quieter, steadier comfort**	**$9,150 – $10,000**
Best	Variable speed, highest efficiency	$10,550 – $11,550

YOUR ANSWERS

Address	412 Bayshore Dr, Tampa, FL 33606
Model number	GSX160361
System	AC with an air handler
Size	3 ton
What to replace	Whole system (indoor and outdoor)
Option	Better
Indoor unit location	Closet, garage or basement
Add-ons	None

BEFORE YOUR VISIT

- Clear a path to your outdoor unit and your indoor unit.
- Have a recent utility bill handy if you want to ask about rebates.
- Write down any rooms that run hot or cold, or any noises you've noticed.
